Registration of the internship credits will occur automatically, after an administrative check of the documents

- Send the final thesis to the supervisor: the student, after agreeing with the supervisor a final version of the thesis work, must prepare a PDF/A of 40MB at most. The file must be uploaded on Uniweb, in the section dedicated to graduation, within the above mentioned deadline
- The student should not send a copy of the thesis to the thesis opponent. However, it is recommended to contact the thesis opponent soon after the publication of graduation calendars for scheduling a meeting before the actual thesis defence
- Admission to the Practical Assessment Test (PPV) is subject to the regularity of the educational and administrative status of the graduating student and the successful uploading of the thesis to Uniweb. After passing the PPV, in order to access the thesis discussion and subsequent proclamation, the application for the degree will be "confirmed" and no longer just "submitted"

IT IS NOT NECESSARY TO BRING ANY PAPERWORK OR PRINTED COPY OF THE THESIS TO THE OFFICE
