The screenshot shows a web browser window with the URL `www.gestionedidattica.unipd.it/PortaleStudenti/index.php?view=easycourse&lang=en&empty_box=0`. The page header includes the university logo and name. The main content area is titled "Lessons schedule" and contains the following text:

Welcome to the section for viewing the lessons timetable.
In this section you will be able to see the lessons of your degree course.
To search your timetable, select the search mode among those available, and then select the information in the various drop-down menus and click on "View timetable".
We remind you that by clicking on each cell you will be able to view the additional information of each lesson such as notes, professor references or maps of the venue where the classroom is located.

On the left side of the page, there is a navigation menu with three options: "By degree", "By teacher", and "By course". The "By course" option is circled in red, and a red arrow points from it to a text box below the screenshot.

You can browse by Bachelor/Master degree course title, by teacher's name, by course's title. We highly suggest you to browse by course!

Here goes the lecture room (name and building)!

Here some useful tips:

- 1) Buildings at School of Psychology have nicknames! Psicologia 2 (where lectures are held) is also called *PSICO2*
- 2) If your lectures are held at *PSICO2* and you're not able to figure out where rooms are located, please note that the number in the "name" of the room... stands for the floor!

E.g. *Aula (room) 2B: 2nd floor*
Aula (room) 3I: 3rd floor

- 3) All lecture halls for psychology courses at CLA are located at the ground floor

School of Psychology International Office - University of Padova
via Venezia 12 - Psico 2 building, First floor
