Developing the thesis

A research or a literature review

Bachelor: 100 hours
Master degree: roughly 500 hours (see your degree plan for details)

Graduating

- **Application** for diploma attainment, see deadlines above, for graduating in:
 - March-April
 - June-July
 - September-October
 - November-December
- 2. Upload the thesis in **uniweb**
- 3. Send the thesis to the second supervisor (bachelor)

Finding a supervisor

1. Get information on the research topics of the School of Psychology professors → Syllabus
2. Contact the potential supervisors to know more about the research you could be involved in
3. **3.**
4. Submit the Application [LINK](#)
5. Once notified the acceptance please contact the supervisor and stay in touch with him/her following his/her directions

Each teacher can supervise a maximum number of students and is supposed to supervise a minimum. In the website you will see a bullet: red if available, orange if (s)he can accept on a voluntary basis, red if full.

In 10 days you will be notified if (s)he has accepted or declined your application

Bachelor 2 steps in two different days

1. Discussion **with the two professors**
2. Graduation ceremony: **collective session; you become a doctor**

Master degree

You discuss and graduate in a single session with a committee of 5 professors

When: look at <http://www.psicologia.unipd.it/prove-finali>

The final mark

- a) Mean in 110. For instance, 27,81 becomes $27,81 : 3 \times 11 = 101,97$
- b) 2 points if you graduate regularly (only bachelor: 0,5 points each laude, max 2 points)
- c) Points assigned to the discussion
- d) eventually cum laude (if 110)
