12 OPTIONAL CREDITS (cfu/ects)

First-cycle/Bachelor's degree students may choose course units worth optional credits among all the Bachelor's course units of the University of Padova held in the academic year, including those belonging to their degree program. In case students should choose course units worth optional credits different from the suite of courses offered by the School of Psychology of the University of Padua, their Study Plan will have to be submitted to the Director of the Degree Course's approval. A Study Plan including course units worth optional credits chosen among other First-cycle/Bachelor's degree programs, but named as those part of the Educational Offer overview of the School of Psychology of the University of Padova, will not be accepted. The course units of the First-cycle/Bachelor's degree in Psychological Science cannot be selected as course units worth optional credits within the other degree programs of the School of Psychology with the exception of the Bachelor's degree program in Techniques and Methods in Psychological Science. Activities such as "Other activities" and "Language/final examination" cannot be selected as course units worth optional credits.
